

Coursework 2

- Image segmentation
- It is on GitHub: https://github.com/ImperialCollegeLondon/Computer_Vision_2023
- Work on coursework_02.ipynb using Jupyter-Lab
- Submit the PDF file to Scientia in two week's time
- There will be a lab session next week in the Computer Lab on Level 2.
 - We will provide general technical help.
 - However, we will not provide model answers.
